# FRENCH PRESS

## - BREWING INSTRUCTIONS -

- 1** Boil 455g of fresh filtered water and let it stand while you grind your beans.
- 2** Use 30g of coffee: medium-coarse grind.
- 3** Place grounds in French Press.
- 4** Start the timer, soak grounds just until saturated. Wait 30 seconds, then add the remaining water.
- 5** Stir at 2 minutes and again at 4 minutes.
- 6** Plunge and enjoy!

---

**TIP** Skim off the grounds and oils on top for a cleaner tasting cup.
